Temperature Matters!

E-Newsletter of the Society for Thermal Medicine

www.thermalthrapy.org

stm@allenpress.com

Our Mission

The mission of the Society for Thermal Medicine is to significantly improve patient treatment outcomes by advancing the science, development and application of Thermal Therapy. Our Society strives to:

- Promote new discovery in thermal biology, physics/ engineering, and medicine.
- Sponsor high quality forums for education of medical professionals in the practice of thermal medicine.
- Advocate for increased patient access to appropriate, high quality, thermal therapies.
